June Chapel Offerings

Our chapel mission for June is Acts 2 Enterprise (A2E). A2E is an outreach based on the work of Jesus and His disciples in the early church as recorded in the book of Acts. This mission works toward improving the living and working environments of Detroit communities. This is done by humbly demonstrating and sharing compassion, justice, and mercy, and by evangelizing and discipling the city of Detroit with the Good News (Gospel) of Jesus Christ. *Please support this worthy mission with your chapel offerings. So far we have raised \$41.10! Thank you!*

June 1st is the 8th grade celebration at HT (Middle School (South)) starting at 7 pm.

June 3 is the 8th grade graduation at St. Paul's (Elementary (North)). It begins at 9:15 am.

Court of Concordia Campaign

We have kicked off this year's **Court of Concordia Annual Fund Drive**. Letters were sent to members of both congregations, all school families, and those who have been generous to us in the past. The campaign lasts until August 15 when our fiscal year ends.

Why is the annual campaign so important? The Court of Concordia campaign is one our two major fundraisers of the year, the other being the auction. We begin the campaign in May and have it run through the summer because the funds raised are designed to allow us to meet our financial obligations over the summer when we do not receive tuition payments. Our goal this year is to raise \$50,000 to support our operating budget. Many donors send in regular donations throughout the year.

Your donation to the Court of Concordia is very important to us, no matter the amount. We receive donations ranging from \$10 to several thousand dollars. As you read over the letter you received in the mail, we pray that you will consider making a donation. We send out about 400 request letters, but usually have less than 100 donors. If you have not given in the past, please consider giving now. **Your donation is needed to help us continue to fulfill our mission of, with one heart, we equip God's children to grow as disciples in His word through a Christ-centered education.**

Total Raised to Date: \$5,730.00

Shared Time instruction in art, computers, foreign language, physical education, and music is provided by the Livonia Public Schools.

Parents, relatives, former parents, members of the community and association congregation members provide help and service to the school by serving as School Board Members, coaches, music group directors, lunch aides, library aides, room parents and many other volunteer roles. Their help is vital in making the school run successfully. Thank you!
